Are you looking to make a career change and/or transition?

Consider all possible outcomes, the pros and cons, and list potential sounding boards from your network.

## THE SHORTCUT TO GROWTH AND CONFIDENCE

Let's face it, we live in a world of unlimited choices and information, so it's easy to get lost in the mix. Why not find the trailblazers and pioneers, pick their brains, and save yourself from the mistakes they may have made?

Everyone needs a personal board of directors. Mentoring circles are essentially a new spin on a timeless learning technique.
